

BYPASS NOT A27 THROUGHPASS UPDATE TO MEMBERS

NUMBER 20 – JANUARY2018

Message from Jack Delbridge, Chair of the group.

Welcome to e-updatenumber twenty.

HAPPY NEW YEAR

Happy New Year to all our members. I hope that you had a good Christmas and you'll have a good 2018. Highways England are due to announce their next steps anytime from now onwards. I would like to reassure you that this group will be doing all we can to campaign for a bypass for Worthing and Lancing and we'll be stepping up the pressure. For more information about that, please read on...

POSTER BOARD CAMPAIGN ALONG THE A27

As I mentioned in the last e-update, we have developed a poster board campaign.

In January, we will be knocking on the doors of all residents who live directly beside the A27 in Worthing from Cote Street to Lyons Farm to ask them if they would be prepared to sponsor a large sign saying Bypass Worthing and Lancing Now. They are big to make sure they get noticed! We will be knocking on doors on the A27 in the Lancing area after this. If anyone is available to help do this, offers of help will be gratefully received - please let me know by email at bypassworthing@gmail.com

A big thank you to members who have already said that they will have a board. If you live along the A27 and would like to have a board put up, we can arrange this. As part of their sponsorship and support for the group, Bacon and Co have kindly arranged for their Board person to put up the signs, complete with a post - for properties directly along the A27 where they will have the most impact and be seen by most people as they are stuck in traffic queues.

If you don't live along the A27, but would like one of the signs to display, perhaps on your gate or elsewhere on your property, we can deliver one for you to put up. Again, thank you to members who have already put their names down for one of these boards.

They are being made for us with much appreciated support from both Bacon and Co estate agents and Arun Signs.

To keep our costs to a minimum, we will be asking for a donation of £2.50 to cover the cost of each board from anyone displaying them. A small price to pay to get a big message across – that Worthing and Lancing want a Bypass!

Want a sign put up? Please contact us at our usual email address bypassworthing@gmail.com and we can do the rest.
