

BYPASS NOT A27 THROUGHPASS MEMBERSHIP APPLICATION

APPLICANT INFORMATION

Group Aims	The By-Pass not A27 Through-Pass residents action group has as its main aim to convince all government bodies that the only way to provide sustainable relief to the traffic congestion that continues to blight Worthing and district is to create a proper By-Pass around the town and not to enhance the current route by creating a Dual Carriageway through any part of the town. We are against all types of 'Severence' cutting off areas of the town alongside the route of the A27 between High Salvington and Lancing boundary.
