Welcome to e-update number forty.

INTRODUCTION

I'd like to reassure you that although it is difficult to campaign during the Covid 19 pandemic, your committee continue to regularly meet virtually. We're awaiting announcements from Highways England about the next steps for the A27 through Worthing, Sompting and Lancing. The latest information available is on the Highways England website at <https://highwaysengland.co.uk/our-work/south-east/a27-worthing-and-lancing-improvement/>

LOCAL ELECTIONS – THURSDAY 6 MAY

We have written to all the Candidates standing for election to Adur District Council, Worthing Borough Council and West Sussex County Council whose wards or divisions are close to the A27 to ask them for their views about the road.

We will publish responses on our website www.bypassnota27throughpass.org
